At Globetrotters B&B / Gallery, guests experience a unique blend of modern conveniences with artistic award-winning décor, an eclectic collection of artifacts from around the world, original artwork by Canadian artists, and the warm combination of Portuguese charm and Canadian hospitality. We speak English, Portuguese, Dutch, Italian, Spanish, some German and French.

REASONABLE RATES

Our B&B features air-conditioned rooms with queen-size beds and some single sleeping arrangements in a pet-free and smoke-free environment. Room rates range from \$120 per night for The Sultan's Tent and Crystal Palace to \$125* for Le Moulin Rouge, based on double occupancy. Delighting all who come to stay, the imaginative décor in all our rooms is largely influenced by the creative designs of award-winning artist and decorator, Jane Hall.

SURROUNDED BY CANADIAN ART AND BEAUTY

The beauty of Niagara is challenged only by the art that graces the walls and rooms of our Bed & Breakfast. Globetrotters B&B / Gallery is honoured to represent original works by Canadian artists like Jane Hall, Friedbert Renbaum, Marsha Stonehouse and Linda Kay Marie Wallace. Examples of their work are proudly displayed throughout our Bed & Breakfast and many are available for sale — as exquisite reminders of your stay with us in Niagara-on-the-Lake.
